#### First

It being based on the resolutions of international legality, including resolutions 242 and 338 and 425 of the Security Council, and the obligation to implement them in accordance with the Arab and international understanding of these resolutions, which guarantee full Israeli withdrawal from all the occupied Palestinian territories including Al-Quds Al-Sharif as well as from the occupied Syrian Golan and the occupied Lebanese territories, and on the basis of the formula "land for peace"; of the legitimate national and political rights of the Palestinian people, and of the need to enable them to exercise their right of return in conformity with the General Assembly resolution 194.

#### Second

Applicability of Security Council resolution 242 to all Arab occupied territories including the Palestinian territories.

#### Third

The fact that Al-Quds is the heart of the Palestine Question which, in turn, is the heart of the Arab-Israeli conflict. Al-Quds is an integral part of the Palestinian territories occupied in 1967 and to it apply all the provisions applicable to the other occupied territories under the resolutions of the United Nations Security Council and General Assembly, and the necessity of its return to Palestinian sovereignty as capital of the State of Palestine, as a guarantee for peace and security in the region.

#### Fourth

Dismantling the settlements already established in the occupied territories since they are illegal under the international resolutions including resolution 465 of the Security Council, and cessation of the settling of Jews in the occupied Palestinian and Arab territories including Al-Quds Al-Sharif and the Syrian Golan, combined with the necessity of providing international guarantees to that effect.

#### Fifth

The need to secure international protection for the Palestinian people in the Occupied Territories, to implement the Fourth Geneva Convention of 1949 and the Hague Treaty of 1907, to halt all Israel's terrorist and repressive practices against the Palestinian people, to release all Palestinian detainees in the Occupied Territories, to halt the expropriation and attempted transformation of Islamic and Christian properties and waqfs, to halt the continuing violations of Islamic and Christian holy places and to halt the excavations which endanger these shrines.

6. Calls for the support of the international programme on economic, social and cultural developments in the occupied Palestinian territories; support the Palestinian National Authority so as to establish its control and start the process of reconstruction and development of the occupied Palestinian territories, including the city of Al-Quds Al-Sharif.

7. Calls for a more effective participation of the United Nations in promoting the success of the peace process in the Middle East, and reaffirms the continued and constant responsibility of the United Nations vis-a-vis the Palestine Question until a just and comprehensive solution to all its aspects is achieved securing an end to occupation and the exercise, by the Palestinian people, of their inalienable national rights.

8. Draws the attention of the international public opinion and the Security Council against the gravity of Israel's behaviour as though it were exempted from abiding by the principles of international law and exempted from compliance with the norms of international legality, and urges the international community to compel Israel to desist from violating the principles of international legitimacy and to implement the resolutions of the U.N. General Assembly and Security Council without delay or procrastination.

9. Invites all States of the world to refrain from having any dealings with the Israeli occupation authorities which might in any way be interpreted by those authorities, as an implicit recognition of the "fait accompli" it had imposed by the declaration of Al-Quds as the capital of Israel and in this context recalls the UN Security Council Resolutions No. 465, 476 and 478 which rule that the Israeli measures relating to the City of Al-Quds Al-Sharif are null and void and affirm that all the legislative, administrative and settlement measures aiming at changing the legal status of the Holy City are null and void, have no legal effects whatsoever and are a violation of international agreements, conventions and norms.

10. Calls for abiding by the provisions of the Islamic Boycott against Israel and to consider the legislation, rules and provisions governing the Boycott "the General Principles of the Boycott, Islamic law, the Internal Regulations and Sessional Meetings of the Regional Offices" as part of their own-current national legislations, and set up the necessary offices and mechanisms to serve that end.

11. Strongly condemns the aggressive Israeli scheme to partition the Ibrahimi Mosque Enclosure in the occupied city of Al-Khalil, which aims at seizing and judaizing most of it and building a Jewish temple on its site and calls on the Member States to continue their coordination and intensive efforts in the various international fora to prevent the implementation of this scheme and preserve the Ibrahimi Enclosure as a mosque solely for Muslims as it has been through the ages and warns that any slackness in these efforts, would encourage Israel to undermine the Blessed Al-Aqsa Mosque and other Islamic and Christian shrines, which would affect the peace process and also invites them to endeavour to renovate the old town in Al-Khalil and preserve the heritage and culture of this ancient city as well as settle Palestinian families therein in order to face Jewish settlement in the city.

12. Calls on the international community to work for the return of the international observers to the city of Al-Khalil in accordance with the Security Council resolution No. 904, and to oblige Israel to allow them to carry out their tasks.

13. Strongly condemns the Israeli repressive measures and practices against the Palestinian citizens and also strongly condemns Israel's expansionist settlement policy and regards all settlements established or to be established by Israel in Al-Quds Al-Sharif and in all other parts of the occupied Palestinian territory and the Syrian Golan as null and void in accordance with international legitimacy and appeals to all States to refrain from taking any steps that might facilitate the process of settlement in the Occupied Territories; invites the Member States to request the UN Security Council to form an international committee to supervise and monitor the prevention of the settlement process in the occupied Palestinian and Arab territories.

14. Invites Member States to work within the framework of the United Nations and at the international institutions and fora for compelling Israel to release the detainees, bring back the deportees, put an end to the method of collective punishment, and desist from any works that would endanger life and the environment in the occupied Palestinian and Arab territories.

15. Strongly condemns Israel's continuing occupation of Southern Lebanon and the Western Biq'a'h region, its arbitrary practices and military acts of aggression against the Lebanese citizens and against the Palestinian refugees in their camps in Lebanon, and calls upon the UN Security Council to put an immediate end to these acts of aggression and demands Israel's immediate, total and unconditional withdrawal from the Lebanese territory; and affirms its eagerness to maintain the independence, sovereignty and territorial integrity of Lebanon within its internationally recognized borders and stresses the necessity of implementing the UN Security Council resolutions concerning Lebanon and in particular Resolution No.425 (1978) and expresses its appreciation for the achievements of the Supreme Tripartite Arab Committee; also calls on the international community to contribute to the International Fund for the Reconstruction of Lebanon.

16. Strongly condemns the policy of Israel in refusing to comply with Security Council resolution 497 (1981), and in imposing its jurisdiction, its laws and its administration on the occupied Syrian Golan, as well as Israel's policies of annexation, establishment of settlements, expropriation of lands, diversion of water resources and imposition of Israeli nationality on Syrian citizens and considers that all those measures are null and void, and constitute a violation of the rules and principles of international law, relating to occupation and war and particularly the Fourth Geneva Convention of 1949 and demands the complete withdrawal of Israel from the entire occupied Syrian Golan.

17. Calls on the international community and the Security Council to compel Israel to comply with U.N. Resolutions, particularly Security Council Resolution 487(1981), to accede to the treaty of Non-Proliferation of Nuclear Weapons, to implement the resolutions of the International Atomic Energy Agency (IAEA) calling for the subjection of all Israeli Atomic facilities to the IAEA Comprehensive Safeguards System, to obtain Israel's renunciation of

nuclear armament, and to submit a full report on its stockpile of nuclear weapons and materials to the Security Council and the International Atomic Energy Agency as those steps are essential for the establishment of a zone free from weapons of mass destruction, and primarily nuclear weapons in the Middle East region, and fundamental factor for the establishment of a just and comprehensive peace in the region.

18. Calls on the Member States to coordinate their positions at all international fora in order to preserve the principled position of the Organization of the Islamic Conference on all the resolutions on the issue of Palestine and the Arab-Israeli conflict.

19. Commends the efforts deployed by Al-Quds Committee, under the Chairmanship of His Majesty King Hassan II of Morocco.

20. Calls upon the Member States to request the UN Secretary General to entrust the Reconciliation Committee, in cooperation with UNRWA and the States concerned, with the preparation of a comprehensive census of Palestinian refugees and their properties as well as formulate a comprehensive conception for solving their problem in accordance with the UN resolution 194.

21. Expresses its appreciation to the United Nations, the Non-Aligned Movement, the Organization of African Unity, the United Nations Committee on the Exercise of the Inalienable Rights of the Palestinian People, and to all peoples and peace-loving forces for their support of the Palestine Question in the international fora, and their backing of the struggle and blessed Intifada of the Palestinian people and calls on them to continue that support and assistance by all available means.

**ON BOSNIA AND HERZEGOVINA**

The Twenty Second Islamic Conference of Foreign Ministers, held in Casablanca, Kingdom of Morocco, from 8 to 10 Rajab 1415H (10-12 December, 1994),

Proceeding from the principles and objectives of the Charter of the Organization of the Islamic Conference, which emphasize the commitment of Islamic Ummah to the consolidation of international peace and security;

Bearing in mind the obligation of all States to act in conformity with the principles and purposes of the United Nations Charter;

Reaffirming particularly the obligation of all States to refrain from the threat or use of force in their international relations;

Expressing, in the strongest terms, its indignation with and condemnation of the recent vicious attack on the Bihac safe area and the merciless targeting of its civilian population by the Serbs;

Deeply concerned by the lack of effective measures by the UNPROFOR Command to deter attacks against the Bihac safe area and the flagrant violations of the internationally recognized borders between the Republic of Bosnia-Herzegovina and the Republic of Croatia by the Croatian Serbs;

Convinced that the Republic of Bosnia-Herzegovina has the inherent right of individual or collective self-defence, recognized in Article 51 of the Charter of the United Nations and reiterating that the maintenance of the defacto arms embargo on the Republic of Bosnia-Herzegovina is unjust, illegal and a major factor impeding the use of the right of self-defence;

Stressing that the situation in Bosnia-Herzegovina warrants the implementation of decisive measures in conformity with the provisions of Chapter VII of the United Nations Charter, in particular Article 42;

Having considered the grave situation arising from the rejection, by the Serbian side, of the peace plan proposed by the 5 Nation Contact Group (France, Germany, Russian Federation, United Kingdom, and the United States);

Expressing its full support to the principled, courageous and conciliatory position, taken in the spirit of peace, of the Bosnian Government, especially its acceptance of the 5 Nation Peace Plan, which imposed the difficult burden of internal border delineation;

Concerned at the erosion of commitments undertaken by the 5 Nation Contact Group subsequent to numerous and painful concessions made by the Government of the Republic of Bosnia and Herzegovina with respect to the 5 Nation Contact Group proposal and strongly encouraging the 5 Nation Contact Group to stand by its commitments and fulfill them;

Noting with consternation the adoption of Security Council Resolution 943 (1994) regarding the easing of sanctions against the Federal Republic of Yugoslavia (Serbia and Montenegro) and considering this as unjustified, untimely and not conducive to efforts for promoting a just peace in Bosnia-Herzegovina;

Reiterating its strong conviction that the establishment of an action oriented relationship and coordination between the OIC Contact Group and the 5 Nation Contact Group may facilitate the achievement of a just and durable peace;

Urging the Security Council to undertake effective and resolute measures to ensure Serbian compliance with its relevant resolutions and to institute new and rigorous measures against the Serbian side in view of its rejection of the peace plan;

Reaffirming and Endorsing the Declaration of 29 September, 1994 of the Ministerial Meeting of the OIC Contact Group held at the United Nations in New York, and the Declaration of the Enlarged Meeting of Foreign Ministers of the OIC Contact Group, held in Geneva, 6 December 1994;

Calling for the speedy implementation of UN General Assembly Resolution No. 49/10 of November 2, 1994;

Having considered the report of the Secretary-General on the situation in Bosnia-Herzegovina (Document No. ICFM/22-94/PIL/D.1);

1. Strongly condemns the continuing Serbian aggression against the Republic of Bosnia-Herzegovina and Serb non-compliance with the relevant resolutions of the Security Council as well as the Serb rejection of the Five-Nation Peace Plan.

2. Rejects strongly any suggestion to permit or legalize a confederal relationship between the Bosnian Serbs and Serbia and Montenegro, as this would violate and undermine the territorial integrity of the Republic of Bosnia-Herzegovina.

3. Reiterates its call on the Five Nation Contact Group for an action oriented relationship with the OIC Contact Group on Bosnia-Herzegovina that should give a fair and balanced consideration of the views, concerns and interests of the Governments of the Republic and the Federation of Bosnia-Herzegovina.

4. Strongly urges that the following measures should be taken to prevent any further deterioration of the situation in Bosnia-Herzegovina:

(a) Urgent, adequate and effective deployment of international monitors/forces on the borders of the Republic of Bosnia-Herzegovina and the Republic of Croatia with Serbia and Montenegro with a view to interdicting the delivery of military supplies and assistance to the Serbs from Serbia and Montenegro.

(b) Immediate recognition by Serbia and Montenegro of the internationally recognized borders of the Republics of Bosnia-Herzegovina, Croatia and other States in the region.

(c) Suspension of the implementation of Security Council Resolution 943(1994) and ensuring vigorous enforcement of the sanctions against Serbia and Montenegro.

(d) The strengthening of UNPROFOR by augmenting the number of its troops to the requested level of 35,000, in particular through troops pledged by OIC member states, as well as reinforcing it with heavy artillery and other means necessary to defend the territorial integrity and civilian population of Bosnia-Herzegovina.

(e) Expansion where necessary and implementation of UNPROFOR mandate so as to enable it to provide effective protection and to deter attacks against the "Safe Areas"; enforce the

"weapon exclusion zones" and provide security to humanitarian convoys as well as unimpeded movement on the "Blue routes".

(f) Enhancing the participation of the OIC troop contributors within UNPROFOR command, as well as in the political decision making process.

(g) Measures and pressure in Bosnia-Herzegovina should continue to be directed against the Bosnian Serbs, who continue to reject the Peace Plan. The Government of Bosnia-Herzegovina should not be equated with the Bosnian Serbs, the aggressor party.

(h) The Safe Areas must be protected and expanded to cover all the territories allocated in the Federation of Bosnia and Herzegovina (within a sovereign and territorially integrated Republic of Bosnia and Herzegovina) under the proposed Five Nation Contact Group peace plan.

(i) The establishment of effective UNPROFOR presence in Serb occupied areas, particularly in Banja Luka, and Bijeljina with the mandate to deter crimes against civilians.

(j) Simplifying and streamlining of procedures to enable NATO to provide effective and immediate military support to UNPROFOR and the Bosnian population, including increased air strikes to deter and reverse Serb aggression.

(k) Demilitarization of Sarajevo and its 10 opstinas, including the elimination of both external and internal confrontation lines as well as adoption of appropriate measures to facilitate the return of refugees.

(l) The status of Sarajevo as the undivided and united capital of the Federation of Bosnia and Herzegovina, and the Republic of Bosnia and Herzegovina should be reaffirmed.

5. Demands that the Government of the Republic of Bosnia and Herzegovina should be provided with all necessary means for self defense to exercise individually or collectively its inherent right recognized by Article 51 of the UN Charter.

6. Expresses its readiness to cooperate with all UN member states who exhibit a willingness on their own initiative to provide the Republic of Bosnia and Herzegovina with the means for self defense;

7. Reiterates that Security Council Resolution 713 paragraph (6) does not legally and cannot morally apply to the Republic of Bosnia and Herzegovina and indicates its commitment to act accordingly and that in order to make the resolution applicable to the Republic of Bosnia and Herzegovina, it should be specifically presented to the Security Council for a fresh vote with that objective.

8. Renews its call for establishing close action oriented relationship between the OIC Contact Group and the Five Nation Contact Group, and in this context, calls for an urgent Ministerial Meeting between the Five Nation Contact Group and the OIC Contact Group to consider ways and means to deal with the deteriorating situation in Bosnia and Herzegovina.

15. Expresses its opposition to the lifting of sanctions against Serbia and Montenegro (the Federal Republic of Yugoslavia), as well as any easing of sanctions until such time that the Serbia and Montenegro (Federal Republic of Yugoslavia):

(a) Recognizes the Republic of Bosnia and Herzegovina within its internationally recognized borders;

(b) Accepts the placement of United Nations Forces on the borders for effective monitoring;

(c) Implementation of the Five Nation Contact Group Peace Plan including full withdrawal from all occupied territory of Bosnia and Herzegovina.

16. Calls upon those states who have not yet done so to sever all economic and commercial ties with Serbia and Montenegro.

17. Urges the Governments and financial institutions as well as humanitarian organizations to extend direct or indirect financial and humanitarian assistance to the Government of the Republic of Bosnia-Herzegovina aimed at alleviating the humanitarian crisis, rehabilitating the basic economic activities for the survival of population as well as assisting the firms operating abroad and also encourages assistance to be extended to the Federation of Bosnia-Herzegovina.

18. Demands that the International Committee of the Red Cross (ICRC) be granted free access to all detention camps established by Serbs in Serbia and Montenegro and in Bosnia-Herzegovina and to all persons imprisoned in these camps and urges the Serbian authorities to provide to the ICRC all information related to the prisoners without further delay.
